MODERN

CRANE SERVICE

SERVING THE MIDWEST & BEYOND SINCE 1971

Greetings from the Rotary Lights President

Over 5 million food items, walk-in coolers and more...

I don't think there is a person involved with Rotary Lights who thought in 1995 that it would grow into the treasured display it is today. Thousands of visitors from all over the Midwest flock to La Crosse to add to their holiday enjoyment. Trust me, not many communities could pull this off.

We collected over 340,000 food items last year. That increased our grand, 28-year total to over 5 million food items. All 14 area food pantries received a good supply of food items in addition to

receiving a cash check to help with their purchases and operating cost. We did not stop there. We donated a new walk-in cooler to the La Crosse Y to help with their food distribution to the less fortunate families. We bought new refrigerators for both the Boys & Girls Club and the Big Brothers Big Sisters program. To help our friends at WAFER, we donated \$32,450 toward their capital campaign — all from Teddy Bear sales.

This year's bear is called "Buddy." It was named by kids at the Boys & Girls Club. The bears are available for \$20 at the Rotary Lights Gift Shop and about 30 other locations throughout La Crosse listed in this booklet. ALL of the proceeds from the bear sales will go to the Club to help with its nutrition and snack program. It is our hope to be able to give the Club between \$65-\$70,000. Please help us reach that goal!

We lost a very dear friend this year who was a true "pillar" of Rotary Lights. Butch Rogowski was a multi-talented individual who donated thousands of hours to all areas of our operation. Butch was always only a phone call away and was always willing to help. He will be deeply missed.

We also said goodbye to Terry "T.A." Slaback who left us to be with family in Ohio. Terry's knowledge, along with his keen sense of humor, made it a joy to work with him. Many of the things you see in the park would not have been possible without T.A.'s involvement. (We're still working on getting him back.)

On behalf of the Stephens Family, my fellow Rotarians in La Crosse Rotary East, La Crosse Valley View, Caledonia, La Crosse Downtown, After Hours Rotary, La Crescent, Holmen, and the Onalaska Hilltoppers, along with a very dedicated Board of Directors and Steering Committee, and over 3,000 volunteers, please accept best wishes for a safe, healthy and happy holiday season.

If you have any questions on donating, volunteering or ideas for displays, we hope you'll call the Rotary Lights office at 608-784-9993. With your help, Rotary Lights can continue to light up Riverside Park for this 29th year and beyond. Remember that Rotary Lights is a non-profit 501(c).3 corporation, and all gifts are deductible to the full extent of the law.

In the Spirit of Rotary Lights,

Pat Stephens

What Is Rotary?

Rotary Lights is sponsored by area Rotary Clubs who, in turn, are part of an international service organization. That organization is built on providing humanitarian aid, fostering high ethical standards, and promoting peace and goodwill throughout the world.

Any project or activity is based on the Four Way Test, questions on which Rotary decisions are based:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

As Rotary Lights entered the planning stages, these questions were addressed. Out of those discussions came the decision to collect food for hunger agencies and money for participating non profits. The questions were the basis for creating Rotary Lights as a free-to-the-public event. Rotary does more than light up Riverside Park between Thanksgiving and New Year's Day. You may recognize some of these projects, all of which Rotarians have played a part in organizing, fundraising, and labor:

- Kids Coulee • Myrick Hixon Ecopark • Trees for Tomorrow • International Gardens
- Chad Erickson Park • Riverside Band Shell • Fight the Flood • St. Clare Mobile Clinic

On an international level, Rotary provides exchange programs for high school students, works tirelessly to eradicate polio, seeks ways to provide clean water, and much more.

The generous gifts of food that are collected unfortunately only last 8-10 weeks. The demand is high and growing. If you or an organization you are involved with would like to help organize an event in partnership with Rotary Lights to help us increase food collections, contact Rotary Lights at 608.784.9993.

We have collected items at the gate and other food items through the efforts of:

The La Crosse Area Jeep Club
 Shamrock Club
 The Trane Company

Rotary Lights would like to partner with any groups that would like to be involved with food drives from November 1, through December 31.

CELEBRATING Christmas AT GRECCIO

1223-2023

HONORING CENTURIES OF TRADITION

800 Years Since St. Francis of Assisi Created the First Nativity Scene

In a world where traditions stand as symbols of continuity and faith, the 800th anniversary of the first manger scene, that profound representation of the birth of Christ created by St. Francis in Greccio, Italy, is no small occasion. La Crosse-area Franciscan organizations, including the Franciscan Sisters of Perpetual Adoration, Franciscan Spirituality Center, Viterbo University and Mayo Clinic Health System, have come together to commemorate this monumental event. Please join us in La Crosse!

Feeding the Volunteers

Each year, there are just over 3,000 volunteers who help make Rotary Lights possible. To help us feed this army of big hearted souls, we asked some of our local food vendors to provide lunches, beverages and snacks to keep our troops moving. On behalf of all the volunteers we extend a very sincere thank you for helping us out. This is another great example that we live in a very special community.
